🖋 Markdown template example (pdf)

When using **markdown template**, it is possible to export output as PDF.

See [rendering of this file here](#) and [original template source here](#).
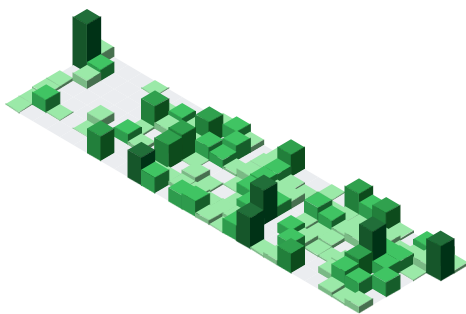

🧩 Plugins

You can customize your template with both markdown plugins and SVG plugins like below:

📰 Rss feed from Hacker News

- [Woven Planet, a subsidiary of Toyota, to acquire Lyft's self-driving car divisi](#)
  - *Published on 26/04/2021*
